Dr. **Sheridan Waldron** BA, RD, PhD is a Specialist Diabetes Dietitian working for Dorset County Hospital, Dietetic Department, Dorset, UK. She also works for Barts and The London NHS Trust on behalf of the SWEET Project. She has spent over 20 years working with children and adults with diabetes. In addition her work has included developing local, national and international diabetes recommendations, policies and Research and Development Strategies to improve the care of people with diabetes. Her research interests are around the dietary management of children's diabetes.

She has held national and international positions in relation to diabetes. She continues to hold official positions in the International Society for Pediatric and Adolescent Diabetes (ISPAD) and delivers the Annual ISPAD Science School for Health Professionals. She is currently an active member of the International Diabetes Federation (IDF) Consultative Sections for Education and for Youth. Currently the IDF sections have a global programme of workshops and initiatives to improve care for children, young people and adults.
